

# Summer Camp

Cost £855

We propose a **17 day** venture in our school minibuses to explore some of the most impressive sights in Europe, with destinations in Venice (Italy), Interlaken (Switzerland) and Amsterdam (Holland) to add opportunity and experience to this exciting itinerary.

I hope that families will regard this opportunity as value for money! With two separate overnight hotel accommodations en route and three nights accommodation at our impressive City Centre Hotel in Amsterdam – the price of **£855** is all-inclusive and is **guaranteed**. All attractions.... travel... meals and insurance - are included. It will be a requirement for students to have their own passport.

**Venice** - needs no introduction to those familiar with the school's camps. It will be our 34th visit to the Italian beach campsite that we regard as the best that we have ever encountered. In addition to water sports and sunbathing, we will cruise to Venice by private motor launch to spend a full day in the magnificent city. Our itinerary will also include a full day in Aqualand - a water theme park similar to Florida's best. **Seven nights** in this resort will be eagerly anticipated.

**Interlaken - five nights** camping in the Bernese Oberland, Switzerland. 14,000ft peaks, mountain waterfalls, lake swimming, chair lifts and cable cars make this venue a most majestic and unforgettable experience. One excursion will take us by rack and pinion railway to the Jungfrauoch at over 11,000 feet - the highest resort in Europe.

**Amsterdam - three nights** city centre hotel accommodation will conclude our itinerary. It remains one of our most memorable holiday experiences and offers an exhilarating range of attractions – just three of which will be the Anne Frank Museum; the windmills of Zaanse Schans and a twilight wine and cheese boat cruise. Unforgettable!

Summer Camp venture to Venice, Interlaken and Amsterdam (Saturday 22nd July – Monday 6th August 2017).

It is unusual that there are places available on Summer Camp this year – especially as 64 students applied and the venture was oversubscribed. However, multiple withdrawals now leave places available, and there is no reserve list remaining. **If you would like to join this exciting venture, we have reprinted full details of the itinerary on the school website. By all means have a look – and if you wish to secure a place, please speak urgently with Mrs Tripoli in the SLT Suite.** Mrs Tripoli will also be able to provide you with a hard copy of the programme upon request.
