Dear Parent/Guardian

Learning Support: Cooking Night, Tuesday 7th May 2019

Your child has expressed an interest in attending a cooking night which will take place on **Tuesday 7th May 2019 at 3.10pm** in the school's Food Studies room. The event will be another opportunity for your child to socialise and interact with peers and their teachers. I would also like to extend this invitation to parents and guardians.

Our plan is to cook chicken goujons, potato wedges and peas and then all sit down and enjoy the meal together before departing to go home. Please note that this event may finish after 4pm and some students may need collecting from school.

The school can also cater for any special dietary requirements. Please include this information on the below reply slip, this will enable us to prepare accordingly.

I would like to encourage as many students and family members as possible to attend. The recent bowling event was a particularly enjoyable experience and I am looking forward to seeing as many students and their families once again.

Please feel free to contact school or me directly via email on ljb@waleshigh.com if you have any further questions regarding the programme.

Yours sincerely

Luke Pendlebury
