Dear Parent/Guardian

Royal Academy of Engineering Celebration Event – Wednesday, 3rd July 2019

I am delighted to inform you that your child has secured a place to attend the Annual Celebration Event at the Royal Academy of Engineering on Wednesday, 3rd July 2019. During the day students will present the work they have been doing on the AMRC Manufacturing Meets Education project. They will also hold a stall displaying the work and models they have produced.

This is a very prestigious event with schools from all over the Country attending, as well as Engineering professionals. The train departs from Sheffield Station at 7:45am so we will be leaving school no later than 7:00am. We will aim to be back at school for 6:30pm. Can I please take this opportunity to remind you that pupils will need to make alternative travel arrangements to and from school if they normally use the school bus.

Students are required to wear uniform and lunch will be provided at the Royal Academy. As teachers organising the trip may not have taught your child before they may not be aware of any specific medical conditions your child may have. Therefore, if there is any medical information you feel we should be aware of, please let us know by completing and returning the reply slip below.

If you require any further information, please do not hesitate to contact me via email jbh@waleshigh.com or on the school number.

Yours sincerely

Mrs J Birch
STEM Co-ordinator

Royal Academy of Engineering Celebration Event – Wednesday, 3rd July 2019

Student Name: _____ of TG _____
