Dear Student

Cambridge Nationals in Information Technologies Revision Book

In Year 11 you will be taking two examinations, one in January and the other in May, and it is never too early to get organised and start revising.

There is a revision book published by Hodder Education that we strongly recommend you purchase to assist you in revising at home. This book is available online from Amazon (as shown below) and other websites such as Waterstones and Hodder Education.

It is generally easier for families to order the revision book directly from an online retailer themselves, but if you wish for the school to order the revision book for you, then please contact me at mho@waleshigh.com to discuss how this can happen.

Many thanks.
