

AV/HB

13 June 2019

Dear Parent/Guardian

It has amazed me how quickly this school year has passed. It only seems two minutes since your child was joining us for transition, and now they have very nearly completed their first year at Wales High School. It has been an incredibly busy year for our students and they have thrown themselves into school life. Their determination, resilience and commitment to the school makes me so incredibly proud and I sincerely hope they are as equally proud of themselves.

However, the time has come for me to pass on the leadership of the year group. I can announce that Mrs Harrison (lha@waleshigh.com) will assume full responsibility for the year group from Monday 17th June. I have worked with Mrs Harrison for many years and I can say without reservation how pleased I was to know that I would be leaving the students in very safe hands. We both share the same high standards and expectations of all students, and I know that the year group will continue to flourish under her leadership. In addition to this, Mrs Siddall will continue to work alongside Mrs Harrison as Pupil Support Assistant for the year group. I know many of you have benefited from Mrs Siddall's unwavering care and support and will be relieved to know that she will continue to support your child over the next four years. Mr Harrison will also continue to work with the year group in his role as Head of Lower School. There will be an opportunity for you to meet Mrs Harrison during the Year 7 Parents' Evening next week, which I hope will be an enjoyable evening and chance to reflect on your child's academic successes this year.

I would like to take this opportunity to thank you all for your support throughout the year. It has been a pleasure and privilege working with you and your child and the relationship between school and home is so very crucial in ensuring your child's success. Finally, to my wonderful Year 7 students, I will still be in school keeping a watchful eye over you all. I am looking forward to seeing you grow into the amazing young adults that I know you will become and I wish you every success in the future!

Yours sincerely

Miss A Vaughan
Head of Year 7
