July 2019

Dear Student

We hope you are enjoying your holiday and that your recent examinations have all gone well. We are looking forward to seeing you all on results day. We have listed below the arrangements for this day:

GCSE RESULTS DAY - Thursday 22nd August

On this day, you should report to the Grand Hall at **10am** to collect your GCSE results, which will be in an envelope and personalised for you. Please remember to bring a pen with you and enter the Grand Hall through the New Hall door. There will be staff present to advise you, including the Sixth Form Team and you will be given information of what you need to do on the day.

We will be pleased to chat with you about opportunities in the Sixth Form and staff will also be available to talk about:

- **OPTION CHOICES** - Members of the Sixth Form team will be available if you need further guidance with your options.
- **CAREERS** - Mrs Brown (Careers Advisor) will be available if you need careers guidance. This includes advice for those not returning to Wales High School in September.
- **16 - 18 TRAVEL PASSES** - Information about the new online application will be Available (<https://travelsouthyorkshire.com/1618/>) .
- **STUDENT FINANCE** - Information about the 16-19 bursary fund will be available and you will receive an information pack about this.

If you have changed your mind about leaving school and now wish to stay, please talk to a member of the Sixth Form team. You will be welcome to come back if there is an appropriate course that we feel you can be successful on.

If you are unavailable to collect your results on this day, perhaps due to a family holiday, you can provide the examinations officer with a stamped addressed envelope prior to this day. The examination results will be posted on this date. Alternatively, if you wish someone else to collect results on your behalf on this day, they will need to provide a letter to this effect with signed permission from you. **Under no circumstances** can results be given via a telephone conversation or e-mail.

Finally, if you require any additional information regarding results day, the school website will contain all necessary details and final arrangements. This will be available nearer to the date.

On behalf of the whole Sixth Form team, may we wish you every success with your GCSE results.

Yours sincerely
