Dear Parent/Guardian

## Y11 Locker Hire and Common Room Access 2019/20

The school intends to continue to support the needs of all students who would like the added security of a personal locker by initially allocating 220 lockers for our Year 11 students. The lockers are located in an area inside, or close, to the Y11 Common Room for ease of access at break and lunch times.

The investment of new lockers costs many thousands of pounds and we therefore need to make a non-returnable hire charge for the use of a locker. This has been set at £5.00 per locker and will also allow students access to the Y11 Common Room area. Please be aware that if a student loses their key during the year a replacement key will be available at an extra cost of £2.00.

I feel sure that students will see the advantages that a locker and Common Room will provide in their final GCSE year and therefore would encourage students to take advantage of this facility. If this is of interest to your child, please could I ask that the slip below if filled in and returned with the **non-returnable hire charge of £5.00 to your child's tutor before Friday, 20th September 2019**. Please note that the current Year 10 students have access to the Common Room free of charge for the next couple of weeks.

Should you require any further clarification please do not hesitate to get in touch.

Yours sincerely

Mr L Beardsley  
Head of Year 11
