September 2019

Dear Parent/Guardian

Year 9 Locker 2019/2020

This year the school intends to continue to support the needs of all students who would like the added security of a personal locker. Initially 256 lockers have been allocated for Year 9 and it is advisable a prompt reply will help to ensure a locker is provided.

Lockers have individual keys and are located in year group blocks at convenient locations around the school.

This investment, for the benefit of members of the school, cost many thousands of pounds and we need to make a **non-returnable** yearly hire charge for use of the lockers. This has been set at **£2.00 per locker**, per year. Replacement keys will be available at extra cost. I feel sure that you will see the advantages which having a locker will provide for your child.

Should you wish to purchase a locker for your child, please complete the reply slip below. This should be handed in to your child's tutor along with a **non-returnable hire charge of £2.00** as soon as possible.

Should you require any further clarification concerning lockers, please do not hesitate to contact me, either on the school telephone number or via email jaq@waleshigh.com.

Yours sincerely

J Asquith
