25th September 2019

Dear Parent/Guardian

AESSEAL Visit – Thursday, 24th October 2019

As part of the Level 3 Engineering course, students need to investigate the use of Computer Control, risk assessment and automation in a workplace outside school. Through our community links, we have arranged a visit to AESSEAL in Rotherham.

This visit is free and the students will be transporter to and from the venue in a school minibus. Students will attend this visit during lesson time on Thursday, 24th October (departing at 9am) and they will be back in school in time to avoid any effect on travel home.

Please complete and return the slip below as soon as possible, to myself, in order to allow me to confirm numbers for the visit with AESSEAL – Ideally please return by Friday, 4th October 2019.

Yours sincerely

P Elliott
