

## **Statement from Chair of Governors for school website**

Being of member of the Governing Body offers a real opportunity to become involved in the life of the school and the local community. We work collectively as an open and approachable team, providing support and challenge to the school leadership team.

Our Governors represent a broad spectrum of our local community with parent, educational, financial, community, local authority, business and staff interests all well represented.

We strive to be an integral part of the day to day life of the school and wider learning community and welcome invitations to participate in a variety of school and learning community activities. Likewise, we welcome staff and students along to our meetings to provide first-hand accounts of developments within school.
