HEADTEACHER: MR. G. DI'IASIO

October 2019

Dear Parent/Guardian

Year 9 Reading Initiative – Warehouse Reading Programme

Your child has been selected to attend a series of workshops throughout the year to continue to develop their love for reading. This is a great opportunity for your child to expand and enhance on their skills from the previous academic year. We are also keen for your child to use this programme to expand their reading and writing skills. Whilst I am happy that your child is improving their literacy skills I am still keen to maintain this group of students from last academic year as they worked extremely well independently and as a group last year.

The below dates show the workshops that will run throughout the year with the sessions involving both practical and classroom activity.

- **Session 1: Tuesday 22nd October 2019**
- **Session 2: Thursday 21st November 2019**
- **Session 3: Thursday 30th January 2020**
- **Session 4: Tuesday 24th March 2020**

Students will be given a copy of Warehouse, by Keith Gray – a story about a community of young people who use an old warehouse to get away from a society they do not fit in. The book will cover many issues and topics that will help your child in their GCSE English lessons.

Your child will be encouraged to read independently, with peers, members of staff in school and parents/guardians. Each student has also been given a 'Literacy Wizard', a sixth form mentor who will support them throughout this programme.

Please feel free to contact school or me directly via email on lpb@waleshigh.com if you have any further questions regarding the programme.

I would also like to keep in touch and let you know the progress of your son throughout the year on this exciting new initiative. If you could return the reply slip in below, complete with your email address I can update all parents and guardians as the programme unfolds throughout the school year.

Good luck to all those involved!

Yours sincerely

Mr L Pendlebury
