

Wales HIGH SCHOOL

HEADTEACHER: MR. G. DI'IASIO

MD/HB – November 2019

Dear Parent/Guardian

Duke of Edinburgh's Award Navigation Day

Your son/daughter will be taking part in their Navigation Training day on:

Saturday 16th November 2019

We will depart from Wales High School at 9.00am and will spend the day practising a variety of key navigational skills in the Dark Peak area.

Participants will be expected to wear suitable clothing for all weather conditions (stout footwear, waterproofs and warm clothes are essential) and should carry enough food and drinks to last them a full day in the hills. I would also suggest that extra considerations be given to the possibility of extremely cold weather on this occasion, so perhaps a flask of hot drink as well as a hat and pair of gloves would be wise additions to the usual kit.

We anticipate returning to school around 5.00pm, although our exact arrival time cannot be given as this will depend on the walking speed of the students. All participants will be given the opportunity to phone home once we have set off in order to give a better idea of our arrival time.

Could I also ask that the **attached medical form is completed** (this is essential for your son/daughter to be able to participate in the walk).

Please return all forms to Mr. Day (in the Science Department) by the end of Thursday (14/11/19) morning break please.

Yours sincerely

M Day
