

# Wales HIGH SCHOOL

HEADTEACHER: MR. G. DI'IASIO

PE/HB

November 2019

Dear Parent/Guardian

## **ONYX InSight Visit - Thursday, 21<sup>st</sup> November 2019**

As part of the Level 3 Engineering course, students need to develop an understanding of the real world application of the Engineering theory they are studying, which, in this case is the manufacture and analysis of wind turbines. To aid this we have arranged an industrial visit to ONYX InSight and their site in Nottingham.

There is no charge for this visit and the school will cover the cost of transport. Students will depart from school at 8.50am on Thursday, 21<sup>st</sup> November and will return in time for your child to eat lunch and take part in their period 5 lesson.

I would be grateful if you could complete the reply slip below and return this to Mr Elliott by **Thursday, 14<sup>th</sup> November 2019.**

Yours sincerely

*P Elliott*

Mr P Elliott  
Teacher of Technology
