AK/KE

January 2020

Dear Parent/Guardian

## **BTEC Applied Science Brewery visit: 30 January 2020**

We have an exciting opportunity to take our KS5 Applied Science students on a visit to a brewery in Sheffield on Thursday, 30 January 2020. As part of their Unit 2 – practical scientific procedures and techniques - students need to be able to understand standard practices applicable to working as a professional scientist so this visit will prove invaluable in them being able to work towards a better grade in the subject.

It is with great pleasure that I can offer this trip to your child, at no cost to you, as we will be travelling by school minibus that morning and returning to school within school hours. I would advise that your child brings a pack lunch in case we run over past lunchtime.

Please complete and return the reply slip below to myself, no later than Monday, 20<sup>th</sup> January 2020. If you have any questions please do not hesitate to contact me on the school telephone number below or via email [ak@waleshigh.com](mailto:ak@waleshigh.com)

Yours sincerely

*A Kilgannon*

Mrs A Kilgannon  
Second in Science
