Dear Parent/Guardian

BTEC Applied Science DRAX Power Station visit – Tuesday, 11th February 2020

We have an exciting opportunity to take our KS5 Applied Science students on a visit to DRAX Power station on Tuesday, 11th February 2020. As part of their Unit 2 – practical scientific procedures and techniques - students need to be able to understand standard practices applicable to working as a professional scientist. This is the second of three visits which will prove invaluable in your child being able to work towards a better grade in the subject.

It is with great pleasure that I can offer this trip to your child at no cost to you, as we will be travelling by school minibus that morning and returning to school within school hours. I would advise that your child brings with them a pack lunch with them for the visit.

Please complete and return the reply slip below to myself, no later than Friday, 31st January 2020. If you have any questions, please do not hesitate to contact me on the school telephone number below or via email ak@waleshigh.com.

Yours sincerely

A Kilgannon

Mrs A Kilgannon
Second in Science

BTEC Applied Science DRAX Power station visit: 11 February 2020

Student Name: _____ Tutor Group: _____

I confirm that I give permission for my child to take part in the above visit.
