Dear Parent/Guardian

Year 10 and Year 11 GCSE AQA Geography Revision Guide

As a Geography Department we are looking at improving revision across all our GCSE classes. The GCSE AQA Geography for the Grade 9-1 Course, published by CGP, has been specifically written for the specification of study. It covers every Physical Geography and Human Geography topic with crystal-clear study notes, examples and case studies - plus exam-style practice questions throughout the book. It also includes brilliant advice for Unit 3 (Issue Evaluation & Fieldwork) and Geographical Skills. It would be a great benefit for all pupils studying GCSE Geography to have access to this to support with their homework, exam answers and revision.

The revision guide costs £5.95 retail price, but as a school we would be able to sell them to students for £3.25. If you wish to purchase a copy of the Revision Guide for your son/daughter, please complete and return the reply slip, with the payment, to the Finance Office by Wednesday, 25th March 2020, so that the order can be made. Please place cash in a sealed envelope and mark for the attention of the Finance Department, with your child's name, tutor group and above heading written clearly on the front. Alternatively, if you wish to purchase this book yourself, the ISBN number for the Revision Guide is 9781782946106.

Yours sincerely
