JBH/KE - February 2020

Dear Parent/Guardian

'Get up to Speed' with Engineering and Manufacture – Wednesday, 25 March 2020

Wales High School is pleased to offer your child one of our 50 allocated places at this year's 'Get up to Speed' event. 'Get up to Speed' is a chance to see some of the UK's most exciting engineering inventions and to meet with the people who design, build and operate them! Speak to businesses, inventors, apprentices and education providers on the future of engineering at this showcase event! For more information, please visit their website (<http://www.getuptospeed.org.uk/>) and get a full overview of the activities.

The event is at Magna Science Adventure Centre, Rotherham. Our arrival time is 12.00pm so we will leave school by coach, at the start of Period 1. There is lots to see and many planned activities which makes this a full day event – we will, however, return in time for the school buses at 3.35pm.

The event itself is free of charge and the only cost incurred is for the transport. School are happy to subsidise the cost of the coach but would ask for a £4 contribution from each child. Your son/daughter will still be entitled to participate, even if you do not wish to make this contribution. However, all parents must be aware that if contributions are not sufficient to meet our costs, we will have no alternative but to cancel the venture.

Your child will be expected to wear full school uniform throughout the day. There will be refreshment stalls available for your child to purchase drinks and snacks if necessary, but we advise they bring a full packed lunch. If they require a packed lunch to be provided by school as they are entitled to free school meals then please tick the box on the reply slip below.

Yours sincerely
