Dear Parent/Carer

Year 9 Options Briefing Evening – Tuesday 24 March 2020

I am writing to invite you to our Y9 Options Parents' Briefing Evening on Tuesday, 24 March in the Grand Hall at 5pm. It is expected to last no longer than 30 minutes, with time to discuss any issues afterwards with the Options Team. This evening will give you the opportunity to find out more about subjects that students will study next year. The evening is intended for parents or carers only, as students will have already accessed this information through assemblies.

Throughout the first 3 years of secondary school, the National Curriculum has dictated the courses which are taught. After Year 9, however, students are expected to study fewer subjects but greater depth. Over the coming weeks, students must choose subjects they wish to study at GCSE or equivalent whilst they are in Years 10 and 11.

The evening will explain the variety of support available to all Year 9 students, as well as further information about the options process. It is hoped the evening will ensure families feel supported and fully informed about the process so that you are able to give detailed advice to your son or daughter, ensuring they make the right choices. There will be two sessions available on the evening, please indicate your preferred choice below and return the slip no later than Friday, 13th March.

If you have any queries, please do not hesitate to contact us directly.

Yours faithfully

R Jones
