

Wales HIGH SCHOOL

HEADTEACHER: MR. G. DI'IASIO

20 April 2020

Dear Parent / Carer

It seems strange to say 'welcome back', but I do hope you have had a safe and restful Easter and found some time to relax.

This week we are entering in to a new term, with the certainty that the lockdown will continue for a minimum of a further three weeks, although I am sure there will be further updates beyond this with regards to the status of schools and education.

To meet the needs of staff, students and families and get the very best of remote learning, please take time to read the family bulletin <https://www.waleshigh.com/wp-content/uploads/2020/04/Families-Bulletin-20-April.pdf>. We are continually reflecting and adjusting to feedback from families and so many frequently asked questions and potential barriers are addressed in the bulletin.

The family bulletin reminds you how to email staff and how to access their email addresses. If you have a problem which is specifically related to Go for Schools, please use g4s@waleshigh.com and if you are not sure who to address your concern to, please use contact@waleshigh.com and your email will be forwarded to the relevant person.

Later this week, there will be a survey link sent to all families and students whereby specific comments and feedback can be given regarding remote learning and where we may be able to support any difficulties. When completing the survey, please ensure you add your child's name and tutor group to enable any follow up work to be done with you. There are a number of opportunities for free text so this will be a great way to get the help you might need.

To make remote learning as effective and manageable as possible, your child may find a deadline has changed or a request has been made for smaller chunks of work rather than bigger long-term projects. Please do not unduly panic if changes have been made as these will have been done to support your child and the member of staff will be flexible with deadlines. Please also remember that you can email any member of staff directly if you are having difficulties.

As I am sure you would agree, in no way is this current situation ideal and we perhaps won't ever get a perfect scenario for every situation, we will continue to endeavour to support remote learning; whilst maintaining well-being and safety as a priority.

Stay strong and stay safe.

With best wishes

A handwritten signature in black ink, appearing to be 'P Di'lasio', written over a faint, light-colored rectangular stamp or watermark.
