

Wales HIGH SCHOOL

HEADTEACHER: MR. G. DI'IASIO

RH/ST
8 April 2020

Dear Parent / Carer

Information Regarding the Induction Process at Wales High School

We are delighted that you have chosen to send your child to Wales High School in September. At this first point of contact, I simply wanted to welcome you to Wales High School and congratulate you on getting your place at a school where I know your child will be happy, safe and thrive from the many opportunities we offer.

The vast majority of you visited the school when we held our Open Evening last September and it was lovely to be able to meet so many of you throughout the evening.

During the Summer Term, we would ordinarily start to extend our welcome to all Year 6 students to the school – including an exciting initiative for the Year 6 cohort to spend a week at Wales High School; for obvious reasons this year may well follow a different format due to the COVID-19 pandemic and the school being in a lock-down situation, so the dates and plans for transition are on hold until we know more.

Please be assured that I will do everything in my power to ensure Year 6 students will not be disadvantaged. We are just as excited as they are and really looking forward to introducing Year 6 to their Tutors, classrooms and experiencing all that comes with being at Wales.

The next correspondence from Wales will be sent once we know a little more. During our next communication we will also give you details regarding FAQ such as uniform purchase, free school meals, locker hire etc. There will be a plan in place to support all Y6 students and their families; it just might not be in the way that we would usually follow.

At this time, my priority is that you keep your family safe and well. It is important that we continue to listen to advice on how best to stay safe and so all plans for Year 6 induction will be agreed and finalised in accordance with ensuring we prioritise government protocol.

Take care and I look forward to writing with more specific plans.

Yours sincerely

Mr P Di'Iasio
Headteacher
