

Wales HIGH SCHOOL

HEADTEACHER: MR. G. DI'IASIO

September 2020

Dear Parent/Carer

Year 10 Lockers 2020/2021

In September, the school intends to continue to support the needs of all students who would like the added security of a personal locker. Initially 256 lockers have been allocated for the year group so a prompt reply will help to ensure a locker is provided.

Lockers have individual keys and are located in year group blocks at convenient locations around the school.

This investment, for the benefit of members of the school, costs many thousands of pounds and we need to make a non-returnable yearly hire charge for use of the lockers. This has been set at £3.00 per locker, per year. Replacement keys will be available at extra cost of £2.

I feel sure that you will see the advantages that lockers will provide for your son or daughter. Should you wish to continue to take advantage of this facility or purchase a locker for the first time, could you please return the slip below, together with a non-returnable hire charge of £3.00, to your child's tutor as soon as possible.

Should you require any further clarification concerning lockers, please do not hesitate to contact me.

Yours faithfully

J Asquith
