VL/KE

October 2020

Dear Parent/Guardian

GCSE PE Course

I have recently received more information from AQA, the Exam Board, for our GCSE PE Course.

Students have been asked to provide video evidence of their sports performance. We will be getting some of this in school, however, where students take part outside of school, it would be beneficial to have evidence of this also. The exam board recognise this may be in a modified NGB Covid version of the game.

I would like to have this evidence, where possible, before the Christmas holidays. Phone or IPAD evidence is acceptable, but we also have several video cameras that can be borrowed from the PE Office. The camera must remain on your child all of the time and not follow the ball, eg. in team games.

I have also been informed that AQA will also accept supplementary evidence in ADDITION to video evidence.

This could include:

- A testimony from a club/county coach.
- Photos of awards, representative kit or trophies
- Copies of letters/emails congratulating students on achieving representative honours
- Any other evidence you may have

Again, I would appreciate receiving this by the Christmas holidays. If you or your child's coach would like more information, please contact me via email vl@waleshigh.com

Many thanks for your continued support.

Yours sincerely

V Lyne
Teacher of GCSE PE
