

Wales HIGH SCHOOL

HEADTEACHER: MR. G. DI'IASIO

HF/KE

November 2020

Dear Parent/Guardian

GCSE – 8/9 Booster Books for Science

I am writing to you because as a school we have been offered some booster booklets for our students at a discounted price, and feel that they would be really useful in helping to support our students to achieve the top grades in their GCSE Sciences. They have been published by Collins and the content is designed to access the higher end of the specification, developing students' skills at answering Level 8/9 questions.

The three booster books (Biology, Chemistry and Physics) are available at a discounted rate (half price) of £10 for all three books.

If this is a resource you feel would benefit your son/daughter, then please complete the slip below and return it to school, via your son/daughter's Science teacher, along with the cash payment. Payment must be enclosed in a sealed envelope marked with your child's name, tutor group and 'GCSE – 8/9 Booster Book for GCSE Science' clearly on the front.

We have some sample copies in Science so if you would like to see a copy then please get in touch via email hf@waleshigh.com.

Yours sincerely

Miss Hannah Feerick
Head of Science

GCSE – 8/9 Booster Books for GCSE Science

Please order the Level 8-9 Booster Books for student (name)
of TG

I enclose a *cash payment of £10

Signed (*Parent/Guardian) Date
