Dear Parent/Guardian

PE Santa Dash, Rotherham Hospice – w/c Monday, 14th December 2020

This Christmas the PE Department are looking to raise some much-needed funds for Rotherham Hospice and as part of their annual Santa Dash, our students will be taking part in either a run or walk during their PE lesson.

This event will take place week commencing Monday, 14th December 2020 and your child will need to bring their normal PE kit. As this event is to raise funds for the hospice, we are asking for a small donation of £1. In return, your child will receive a Santa hat to wear whilst they are participating in the event. To spread the Christmas cheer even further, Father Christmas himself, along with his many elves, will be helping out in the PE department during the week's event.

Your child will have the choice to run or walk throughout their timetabled PE lesson during the week. If your child is injured or unable to participate in this event, they will follow the normal PE policy. Your child will therefore need a note from home and will be supervised in a classroom, in school, where they can complete their school work.

Payment for the event can either be made to the PE Department on the day of the event, or via the school's online payment system. There is also the option to donate an increased amount if you wish, with all monies raised going towards this great cause. If your child feels they would like to raise even more funds, there is a sponsorship form on the reverse of this letter.

Many thanks for your continued support in what are set to be a great week of Christmas cheer in the department whilst recognising and helping a great cause.

Yours sincerely
