

10 December 2020

Dear Parents/Carers,

Following notification and guidance from the Department for Education, schools have been informed that, where possible, an additional Inset day should be taken before the end of this term.

In consultation with our Governing Body, it has been agreed to move the Inset day planned for the end of this school year (Friday 16 July) to the end of this term (Friday 18 December). Moving this day will enable us to follow guidance around track and trace for students, families and staff up to and including Wednesday 23 December 2020.

I realise that this is short notice, but I am sure that you will understand the rationale and benefits that this change will bring, and that the health and wellbeing of our students, staff and wider community must be a priority at all times.

I will be writing to you again before the end of this term with our Christmas bulletin. Please also look out for the link to our 'virtual' Christmas full school assembly!

Thank you for your continued support and I wish you and your families a restful break.

Pepe Di'lasio
Headteacher
