HEADTEACHER: MR. G. DI'ASIO

RR/ST

25 February 2020

Dear Parent / Carer

## **Year 8 Progress Update - Tuesday, 9 March 2021 – 8.30am to 7.00pm**

I would like to take this opportunity to invite you to attend the Year 8 Parents' Progress Update on Tuesday, 9 March 2021 which will take place via Microsoft Teams. Even though we would like to meet you in person, due to the current Government guidelines and restrictions, we are proposing that your child's tutor or co-tutor will meet you on Teams. This will enable you to discuss the progress made in each subject area, and outline targets for the future.

The tutor will be able to give you a progress update for each of your child's subjects. All teachers will be providing an individualised target that will aid your child's progression. The information that is discussed will be emailed to you directly following the appointment.

This event will take place remotely and you will shortly be contacted by a member of our admin team to arrange a mutually convenient time to meet with your child's tutor on Teams. Appointments will be made available throughout the day for your convenience, starting at 8.30am and the last available appointment at 7.00pm. Each appointment will last no longer than 10 minutes. We expect students to be part of the evening and so there is an expectation that your child will attend to be part of the discussion.

We hope to return to more face-to-face appointments in the near future, but in the current climate we are having to find new ways to communicate and share feedback and discussions with parents. I hope you will take advantage of this opportunity to discuss your child's progress at this important stage in the year.

Yours sincerely

**Miss R Race**  
**Head of Year 8**
