

## GCSE Mathematics

### Wales High School - Year 9 Subject Options

#### Subject Content - What will you be doing?

- As well as building upon the skills and knowledge that they have developed in Years 7 and 8 students will progress on to different and more challenging topics in preparation for GCSE Mathematics.
- The key topics areas covered are Number, Algebra, Shape and Space, Ratio and Proportion, Statistics and Probability.
- All students will have the opportunity to develop a range of Mathematical skills that they can use in the next stage of their lives including 6<sup>th</sup> Form, College, Apprenticeships and Employment.

#### Key Points about the Subject

- You will be expected to bring a pen, pencil, ruler and scientific calculator to every lesson.
- You will be assessed at the end of Year 11 with 3 examination papers.
- There will be 1 non-calculator paper and 2 calculator papers.

#### Who can I speak to for more information?

Mr T Oldale - Head of Mathematics Department
