At the heart of everything we do are our core values: Community, Ambition, Respect, and Excellence (CARE). Our mission is to nurture good, happy, and successful individuals, equipping them with the skills, confidence, and resilience to thrive in life and contribute positively to the world around them.

We celebrate each student as an individual and are passionately committed to unlocking their potential. With a dedicated and talented team, we ensure our curriculum, guidance, and care meet the diverse needs of every young person. High expectations form the foundation of our culture, embedded in focussed lessons full of knowledge and wonder. We empower students to become compassionate, organised, and ambitious individuals who strive for excellence.

As Headteacher, I am committed to building on our strong tradition of pastoral care to create a safe, calm, and inclusive learning environment where every student can excel. From those securing places at Russell Group universities or prestigious apprenticeships to those needing additional support, we provide tailored guidance to help every student succeed.

We encourage independence and leadership through a wide range of extracurricular opportunities, enabling students to explore their passions and develop confidence. Our Sixth Form, home to over 250 students, acts as a hub of inspiration, with older students serving as role models who empower and encourage their younger peers.

Strong partnerships with parents and carers are essential to student success. We value open, positive relationships to ensure that every child is fully supported. Wales High School is deeply connected to its local and wider community, instilling a sense of responsibility and service in our students. We believe they can be leaders who shape their communities and positively impact the world.

At the heart of our ethos is a genuine commitment to well-being and managing workload. I understand that the success of any school depends on its staff, and I am dedicated to creating an environment where teachers and support staff feel empowered, appreciated, and equipped to excel. This commitment is reflected in our policies, practices, and daily interactions.

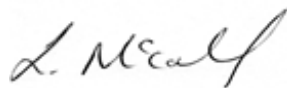

Collaboration, professional growth, and a healthy work-life balance are key priorities. We regularly review workload demands and seek staff input to ensure efficient and purposeful processes. Well-being initiatives are woven into our culture, supported by a leadership team that listens, responds, and fosters a supportive environment.

By joining our team, you will become part of a school that values your expertise and invests in your development and happiness. Together, we strive to make a lasting impact on our students while fostering a professional community where everyone feels proud to contribute.

This is an exciting time for Wales High School as we plan for the design and eventual move to our state-of-the-art new building. We are seeking individuals who share our vision and values and are eager to help shape the future of our school.

I warmly invite you to visit us and experience first-hand what makes Wales High School such a special place to learn, grow, and succeed.
