

Join the Premises Team at Wales High School - Exciting opportunities available – help shape the future with us
Are you a skilled handyperson, an experienced tradesperson, or someone looking to start an exciting new career path?
Perhaps you're searching for flexible hours in a rewarding environment where your work genuinely makes a difference every single day.

At Wales High School, we are transforming and expanding our Premises Team as we prepare for an exciting new chapter - including our brand-new, state-of-the-art school building, due for completion in 2028.

Wales High School works collaboratively with several schools, offering professional services to local primary and secondary settings including site maintenance, so you will be expected to work across multiple sites in the community.

With several long-serving team members retiring, this is more than simply filling vacancies. It is a unique opportunity to join a forward-thinking team and play a key role in shaping the future of our school environment.

We are looking for enthusiastic, reliable and proactive individuals for a variety of roles, including:

- **Full-time / Part-time Handypersons** who take pride in maintaining a safe, welcoming and high-quality environment
- **Full-time / Part-time Tradespeople** with practical experience, initiative and problem-solving skills
- **Casual / Part-time Facilities Assistants** who are flexible, dependable and enjoy varied work
- **Ambitious individuals** looking to begin a rewarding career through hands-on experience and a recognised apprenticeship in Facilities or Premises Management

Why join Wales High School?

- Flexible working arrangements to suit your lifestyle and commitments
- Competitive salary dependent on role, experience and qualifications
- A welcoming, supportive and friendly team culture
- Opportunities for training, development and career progression
- The chance to help shape and develop our site team for the future
- Be part of an exciting journey as we move towards our new school facilities in 2027

Whether you bring years of experience or are looking for a fresh start and new qualifications, we would love to hear from you.
